

MRS OUT-OF-PROVINCE OPPORTUNITY

New Brunswick

Saint John School of Radiation Therapy, Horizon Health Network

Partner/Agency Profile:

The Saint John School of Radiation Therapy is an integral member of the cancer care team at the Saint John Regional Hospital, located in Saint John New Brunswick. We are one of two cancer centers in the province of New Brunswick, providing cancer care to the Western population of the province.

Opportunity:

Our Radiation Therapists work closely with oncologists, physicists, nurses, patients, and patients' families. They navigate highly technical equipment while delivering precise, empathetic, and patient-centered care. Candidates accepted to the Saint John School of Radiation Therapy will have the opportunity to work and learn side by side with the radiation therapy health care team.

We offer a small center learning experience with advanced equipment and techniques. You will be given the opportunity for hands on learning in all aspects of cancer care. You will also be given several opportunities for inter-professional education and exposure to advanced radiation therapy techniques such as brachytherapy, SBRT and SRS.

Eligibility Criteria:

At the SJ School of Radiation Therapy we welcome students from across Canada. The successful candidates will be chosen based on the following criteria:

- *Be highly motivated to participate and learn*
- *Show a sincere interest in health care at the interview*
- *Have a minimum average of B-*
- *Have been offered an interview from the Michener Institute/University of Toronto*

Required Documents:

When applying to the Saint John School of Radiation Therapy please forward the following documents to Sherry.Wagner@Horizonnb.ca:

- *a copy of your interview invitation with the Michener Institute/University of Toronto*
- *a current resume including three character references*
- *a copy of your most recent university transcripts*
- *a brief (one page) summary of why you are interested in a career as a radiation therapist*
